General Meeting

June 18, 2020

Opening

The regular meeting of the Victoria Amateur Radio Club was called to order at 7:00 PM on June 18, 2020 via controlled net on the 145.190 repeater frequency by **Brenson Abbott, KF5VZ**.

Old Business

VARC Simplex Frequency (Gary Garnett, WT0B): Gary (WT0B) dislikes the wording of "club frequency" as it suggests that VARC owns frequency. No further action is required. **RESOLVED.**

Field Day (Gary Garnett, WT0B) (Bob Whitaker, KI5PG): Gary discussed the details of the road rally and the packet he sent to all registered members. He reminded all that any operator, regardless of membership, could participate in the road rally. Also, anyone who was interested could meet at Dairy Queen near Citizens Medical Center at 5:30 following the road rally. He requested that anyone that wanted to participate contact Bob (KI5PG) or himself.

Open Forum

Brenson Abbott (KF5VZ) canvased for anyone that had any other topics that needed to be discussed. Bob Whitaker (KI5PG) and Harvey Babb (WB5MCT) checked in at this time creating quorum for the group. Catherine Newell (KI5FOX) requested that club revisit the reports to approve the minutes and the treasury report.

Reports Revisited

Report and minutes were emailed to all paid club members. Both were unanimously approved as distributed.

-Brenson Abbott (KF5VZ) decided that with COVID-19 still being an ongoing issue at this time the club would continue to meet on the air. Next meeting is Thursday, July 16, 2020.
