

Victoria Amateur Radio Club (VARC) Membership Application

(Revised APR 05, 2021)

Membership is open to all license amateur radio operators, and you are invited to join our growing club.

We meet monthly on the third Thursday, at the Detar Medical Plaza North Conference Center (110 Medical Drive, Victoria, TX) at 7:00 PM, unless otherwise communicated by the VARC President.

All Hams are invited to check into the Monday Night Net at 8:00 PM on the VARC sponsored W5DSC repeater on 145.190 MHz with a negative offset and a PL tone of 103.5 Hz.

Annual Dues are based on a calendar year (JAN-DEC) and are \$15.00 per person, or \$20.00 for a family.

Dues and donations can be given to any VARC officer at VARC meetings and events, or by mailing this form with a check to the VARC Treasurer: Steve Kester (KE5TER), 202 Amberglow Ct, VCT, TX 77904. Contact Bob (KI5PG) as KI5PG@ARRL.NET for alternative payment methods.

For more information about VARC, contact any of our officers as listed on our website: www.VARC.us

The Victoria Amateur Radio Club's (VARC) mission is to promote the Amateur Radio Service.

VARC Promotion Activities, Events and Actions include:

- Encouraging individuals to obtain, upgrade and maintain an FCC amateur radio license.
- Sponsoring amateur radio communications infrastructure available to all licensed hams.
- Facilitate the exchange of information, knowledge, and cooperation between members.
- Increase the awareness and importance of Amateur Radio Service within the community entities and the general public.

The American Radio Relay League has awarded VARC the Special Service Club designation.

The Victoria Amateur Radio Club, Inc. is a non-profit organization, organized under the laws of Texas,
