

Victoria Ametuer Radio Club

VARC February 15,2024

Call to order at 7pm

We introduced ourselves. We have a quorum.

Treasury report \$1664.49 on January 31,2024 2 deposits made of \$835.00 and \$510.00 Total at present \$3009.49.

The Family Expo was nice. 3 volunteers. only 1 accident

Brenson updated the website.

Kiwanas Bike Ride is in March. The new Yaesu Repeater is here. Brad and Gary configured it and tested it using a dummy load. Harvey has a duplex for it to be added before installation. Also 2 assesories have been ordered for it to be installed before installation at Citizens Hospital.

Gary showed us his digital hand held. Explained easy to set up and use and allows picutures and other things to be transmitted through internet.

Brain has been contacted about future set up.

Since it is brand new parts and repairs in the future will be easier than our present repeaters.

Motion to reimburse Brad for the purchase was motioned and seconded and carried.

Otto gave a presentation on building circuit boards.

Adjourned at 8:10pm
