The Victoria Amateur Radio Club’s basis and purpose are defined by FCC Part 97, Regulations and are expressed in the following principles(§97.1):

- (a)** Recognition & enhancement of the value of the amateur service to the public ... , particularly with respect to providing emergency communications.
- (b)** Continuation and extension of the amateur's proven ability to contribute to the advancement of the radio art.
- (c)** Encouragement & improvement of the amateur service through rules ... for advancing skills in both the communication and technical phases of the art.
- (d)** Expansion of the existing reservoir within the amateur radio service of trained operators, technicians, and electronics experts.
- (e)** Continuation and extension of the amateur's unique ability to enhance international goodwill.
